

a deceased individual as described in paragraph (b) of this section.

(b) *Underpaid recipient deceased—underpaid amount payable to survivor.* (1) If a recipient dies before we have paid all benefits due or before the recipient endorses the check for the correct payment, we may pay the amount due to the deceased recipient's surviving eligible spouse or to his or her surviving spouse who was living with the underpaid recipient within the meaning of section 202(i) of the Act (see § 404.347) in the month he or she died or within 6 months immediately preceding the month of death.

(2) If the deceased underpaid recipient was a disabled or blind child when the underpayment occurred, the underpaid amount may be paid to the natural or adoptive parent(s) of the underpaid recipient who lived with the underpaid recipient in the month he or she died or within the 6 months preceding death. We consider the underpaid recipient to have been living with the natural or adoptive parent(s) in the period if the underpaid recipient satisfies the "living with" criteria we use when applying § 416.1165 or would have satisfied the criteria had his or her death not precluded the application of such criteria throughout a month.

(3) If the deceased individual was living with his or her spouse within the meaning of section 202(i) of the Act in the month of death or within 6 months immediately preceding the month of death, and was also living with his or her natural or adoptive parent(s) in the month of death or within 6 months preceding the month of death, we will pay the parent(s) any SSI underpayment due the deceased individual for months he or she was a blind or disabled child and we will pay the spouse any SSI underpayment due the deceased individual for months he or she no longer met the definition of "child" as set forth at § 416.1856. If no parent(s) can be paid in such cases due to death or other reason, then we will pay the SSI underpayment due the deceased individual for months he or she was a blind or disabled child to the spouse.

(4) No benefits may be paid to the estate of any underpaid recipient, the estate of the surviving spouse, the estate of a parent, or to any survivor other

than those listed in paragraph (b)(1) through (3) of this section. Payment of an underpaid amount to an ineligible spouse or surviving parent(s) may only be made for benefits payable for months after May 1986. Payment to surviving parent(s) may be made only for months of eligibility during which the deceased underpaid recipient was a child. We will not pay benefits to a survivor other than the eligible spouse who requests payment of an underpaid amount more than 24 months after the month of the individual's death.

(c) *Underpaid recipient's death caused by an intentional act.* No benefits due the deceased individual may be paid to a survivor found guilty by a court of competent jurisdiction of intentionally causing the underpaid recipient's death.

#### **§ 416.543 Underpayments—applied to reduce overpayments.**

We apply any underpayment due an individual to reduce any overpayment to that individual that we determine to exist (see § 416.558) for a different period, unless we have waived recovery of the overpayment under the provisions of §§ 416.550 through 416.556. Similarly, when an underpaid recipient dies, we first apply any amounts due the deceased recipient that would be payable to a survivor under § 416.542(b) against any overpayment to the survivor unless we have waived recovery of such overpayment under the provisions of §§ 416.550 through 416.556.

*Example:* A disabled child, eligible for payments under title XVI, and his parent, also an eligible individual receiving payments under title XVI, were living together. The disabled child dies at a time when he was underpaid \$100. The deceased child's underpaid benefit is payable to the surviving parent. However, since the parent must repay an SSI overpayment of \$225 on his own record, the \$100 underpayment will be applied to reduce the parent's own overpayment to \$125.
